Construction of Additional Class Rooms (ACRs) in primary and Upper Primary Schools:

- The State Government will ensure that the schools would be constructed in villages having the highest proportion of minority population.
- The approval was given subject to the condition that the priority should be given to the villages having highest proportion of minority population and list of such villages with minority population in descending order should be furnished by the state government.
- The State Government would confirm that the cost for construction of ACRs was approved by the PWD, land and State Share provided.
- To prevent duplication, the State Government may ensure that the ACRs funded under MsDP were reflected in the State Action Plan of the scheme and information also sent to the Ministry of Human Resource Development.

Construction of anganwadi centres:

- The centres would be constructed as per the design, specification and norms of the M/o Women and Child Development and centres would have a kitchen, store room, toilet and playing space and in addition a crèche/day care centre.
- The centres located in villages which have the highest proportion of minority population would be selected.
- To prevent duplication and for ensuing maintenance of a consolidated data base the State Govt. should send the list of anganwadi centres constructed with MsDP funds to the Ministry of Women & Child Development.
- The social welfare department in the State should be involved in all stages of implementation.
