| 5 | Construction of Govt. inter college building . | RMSA | D/o School Education & Literacy |

Points to be kept in view while preparing district plan/revised district plan:

1. Co-relate the above approved/in-principle approved projects with the “development deficits” identified by the baseline survey for district concerned. Propose district plan/revised district plan in consonance with the identified development deficit.
2. Visit Government of India website goirectory.nic.in Details of all of existing Centrally Sponsored Scheme (CSS) are available in the website of the respective Ministries/Departments.
3. The fund sharing ratio of existing Centrally Sponsored Scheme between Centre and State/beneficiary would be followed. State share, wherever applicable for CSS as per its funding pattern, would be provided by the State Government
4. Norm, specification, design, unit cost (wherever specified) etc. of buildings of existing Centrally Sponsored Scheme would be followed.
5. The estimates were approved by a competent engineering department of the State Government.
6. Only capital cost would be provided under Multi-sectoral Development Programme (MsDP).
7. All recurring cost, including staff salary, maintenance etc. will be borne by the State Government.
8. Land is not funded under MsDP and will be provided by the State Government.
9. The physical asset to be created should be located in the village/areas having the highest/substantial minority population. The percentage of minority population of each village/area should be provided.
10. The proposal should be approved by the State Mission Director/department of the Centrally Sponsored Scheme (CSS) concerned and duplication of work/scheme ruled out.
11. Details of the assets created with MsDP funds, which were CSS, would be maintained by the State Department/State Mission Director and data send to the Central Ministry concerned for enabling maintaining proper record and avoiding double counting and duplication.
